## ***FTII film wins special jury mention at Kerala film fest***

Film and Television Institute (FTII) student Deep-ti Khurana's diploma film *Rizwan* has won special jury mention at 5th International Short and Documentary Film Festival of Kerala. The festival was held from June 8 to 12.

The awards were declared on Tuesday in a grand ceremony at Thiruvananthpuram. The story revolves around the protagonist Rizwan, who attempts to live up to his name that literally means guardian of paradise by preserving the dead bodies of his family members who remain alive in his realm — the real heaven of Kashmir. Rizwan's family and boatman is integral part of his life. The film also speaks about problems that Kashmir is facing everyday as an undertone of this strong drama. Rizwan has also been selected for the competition section at the first Ladakh International Film Festival beginning from June 15.
